About Us

ANOINTED HOMES LLC is a service provider licenced by the State of Indiana, USA to provide care and community integration services for individuals with developmental disabilities. Our services are centered on **COMMUNITY INTEGRATION AND HABILITATION**: We provide individualized supports to assist adults (18yrs and older), right from the time they transition from high school to the community. We teach them skills and impart knowledge that enable them lead successful and independent lives. We give all the necessary support the individuals with moderate developmental disability need to navigate the community they live in and be purposeful and happy members of the community.

Our Mission

Established to serve humanity and individuals with developmental disabilities with special focus on individuals in the Autism Spectrum from 18 years of age, that are transiting from high school to the community. We aid their independent living by teaching them necessary skills, employment skills helping them to become purposeful in life.

Our services include:

- Community Integration and Habilitation
- Community transition
- Pre-Vocational Services
- Residential Habilitation and Support
- Structured Family Care-giving
- Level I DDRS
- Workplace Assistance
- Transportation level I Family Supports
- Care (PAC)
- Pre-Vocational Services
- Workplace Assistance Money Follows
- Person-CIH Transfer

*Holistic Approach to
Community Integration*

Our Vission

Our Vision is that our patients are valued and are the receivers of attention and care that is safe, efficient, and of the highest quality, both now and in the ever-changing future.
